IDEALRAIN SYSTEMS PURE RELAXATION PURE PLEASURE

IDEALRAIN LUXE

YOUR TIME TO RELAX

IDEALRAIN LUXE SHOWER SYSTEM AND CERATHERM 100 EXPOSED THERMOSTATIC MIXER

Idealrain Luxe is the new line of shower heads with minimalistic design and amazingly thin volumes, designed to boost your shower experience. It impresses with ultra-thin rounded shapes with soft rounded corners, made of polished stainless steel. The tender silicon nozzles do not retain limestone sediment and are easy to clean. They are giving you finely-tuned water rays which are affording you a generous and refreshing shower by water expenditure of just 12 liters per minute. Only one slightly movement of the shower head and you can precisely adjust the angle of the rain sprays.

SHOWER SYSTEM A6246AA

Ceratherm 100 shower exposed thermostatic mixer

- Temperature stop at 40°
- Eco-Stop

IDEALRAIN CUBE LUXE

BEAUTY AND CONVENIENCE

IDEALRAIN CUBE LUXE SHOWER SYSTEM AND CERATHERM 100 EXPOSED THERMOSTATIC MIXER

If your bathroom is the place of the house where you take refuge from the stresses of everyday life, Idealrain Luxe is the perfect solution to your desires. Every detail of the new Idealrain Cube Luxe shower systems is designed to make showering a real pleasure. The design of ultra-thin rectangular shower heads with edge-to-edge spray nozzles is impressive. Only one slightly movement of the shower head and you can precisely adjust the angle of the rain sprays.

IDEALRAIN CUBE

THE CONTEMPORARY CHOICE

IDEALRAIN CUBE SHOWER SYSTEM AND CERATHERM 100 EXPOSED THERMOSTATIC MIXER

Rational coolness meets pure comfort: Idealrain Cube's square design is ideal for free spirits who enjoy the clarity of design inspired by geometry. The Idealrain Cube collection is designed to fit the geometry of your bathroom. Head showers are one, simple square. Handsprays echo the design, but with softer corners. The overall effect is high style. A purity of line. A cascade of modernity. An outpouring of warm, relaxing, summer rain.
